

QUEEN MARY'S COLLEGE
DEPARTMENT OF ZOOLOGY
SOSA MEET

The SOSA meet of the Department of Zoology, Queen Mary's College was conducted on 14th February 2026 to facilitate, consolidate and coordinate Alumni activities. Alumina from various batches started visiting the Department from 9.30 am onwards. The Alumni interacted with the final year UG and PG students, motivated them for preparing for higher studies and placements. They happily shared the reminiscent memories of their college days with the students.

Thus, todays SOSA meeting was intended to develop and maintain long-term relationship with alumni all over the globe. The alumni sincerely expressed their gratitude to all faculties of the department for their guidance and support and providing them an opportunity for cherishing their good old college days.
